therefore, it stands to reason that the only effective method of effecting a genuine and lasting political change is a deliberate

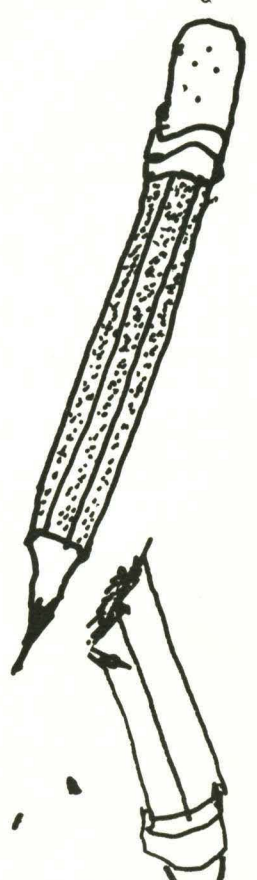

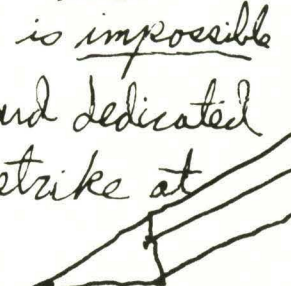

therefore, it stands to reason that the only effective method of effecting a genuine and lasting political change is a deliberate and orderly effort by reasonable and responsible individuals, working within the system for ~~the~~ sit a minute.

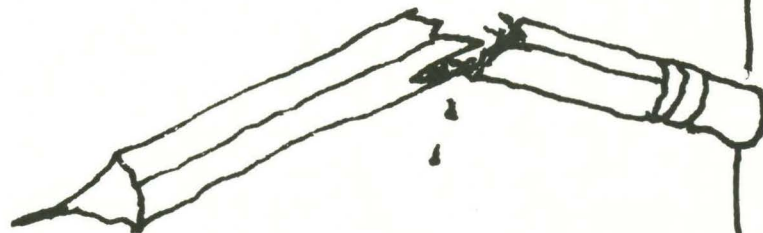

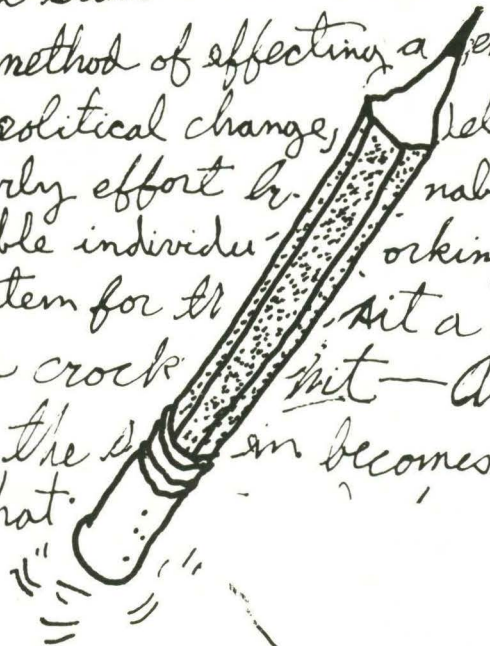

therefore, it stands to reason that the only effective method of effecting a genuine and lasting political change is a deliberate and orderly effort by reasonable and responsible individuals, working within the system for ~~the~~ ^{its} ~~minute~~ ^{minute} - This is a crock of shit - Any working within the system becomes a collaboration with that system and change is impossible. What is needed is a total and dedicated militant thrust.

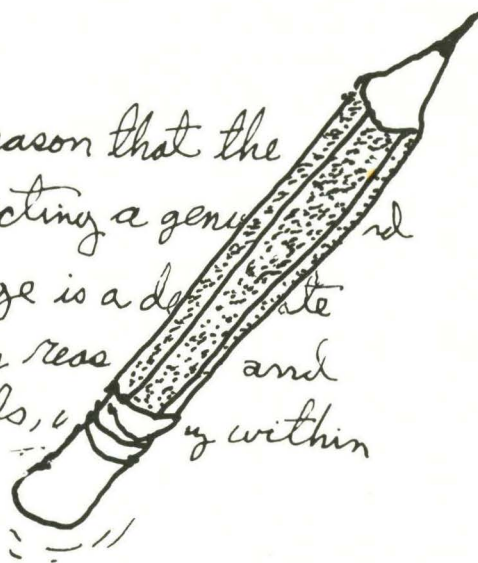

therefore, it stands to reason that the only effective method of effecting a genuine and lasting political change is a deliberate and orderly effort by reasonable and responsible individuals, working within the system for ~~the~~ ^{its} ~~minute~~ ^{minute} - This is a crock of shit - Any working within the system becomes a collaboration with that system and change is impossible. What is needed is a total and dedicated militant thrust that would strike at the very foundation of

therefore, it stands to reason that the only
effective method of effecting a genuine and
lasting political change, is a deliberate
and orderly effort by responsible individuals
working within the system for the better.
This is a crock of shit - Any working
within the system becomes a collaboration
with that.

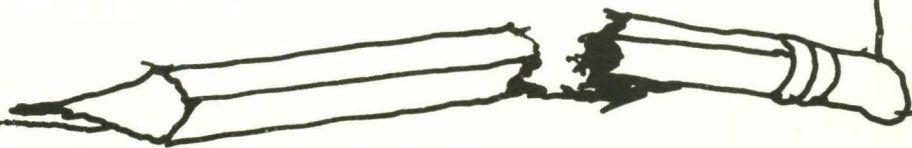

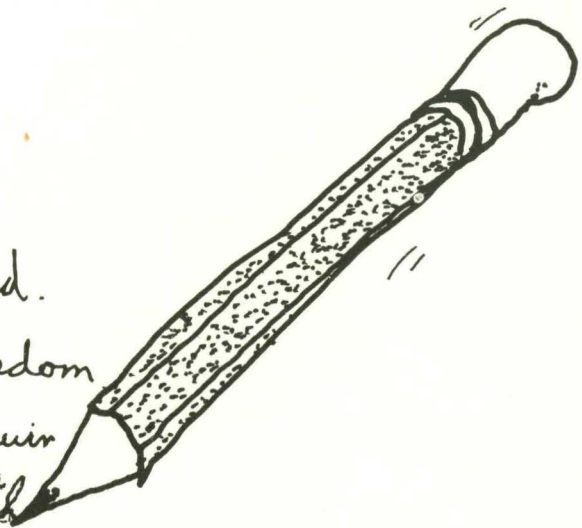

therefore, it stands to reason that the
effective method of effecting a genuine and
lasting political change is a deliberate
and orderly effort by responsible
individuals, working within
the system for the better.

therefore, it stands to reason that the only effective method of effecting a genuine and lasting political change is a deliberate and orderly effort by reasonable and responsible individuals, working within the system for the betterment of all mankind.

Of course a great deal of patience and wisdom is necessary in this effort as well as a genuine respect for the principles and traditions of the
